Approval (coord.)			

Executive summary

The Deliverable Public call SBT includes the formal documents that were used to launch the public call to identify and select the cooperative in charge to run the Reuse centre of San Benedetto del Tronto, on behalf of the City of San Benedetto del Tronto and Picenambiente, the local waste management company. The Public call ought be done within 1 October 2013 but was delayed due to administrative issues regarding Picenambiente to 29th January 2014. The Call stayed open until 27th February 2014.

The documents regarding the call are (attached):

- Lettera Invito Procedura Negoziata Gestione Operativa Centro Riuso di SBT (Public call)
- Allegato 1_ lettera di invito gestione Centro del Riuso di SBT - Progetto Tecnico (description of the PRISCA model reuse centre)
